Organising the Shoot

First of all, please understand that it is not expected for all the organizing to be done by yourself, enlist another member to assist you with these duties. Should you be unable to run a shoot on your assigned date, please swap out with another member that has a date later in the year. Swaps only please.

1. Make sure the range is booked with Dawie (083 261 2893) or Riaan (084 404 0888).
2. Ensure a reminder is sent out to all members via e-mail (Nico) and via the Whatsapp Group at least a week in advance.
3. Design or find at least 4 stages with a minimum of 50 rounds. (Keep equipment requirements in mind.)
4. Submit the stages to Rouen for vetting & approval.
5. Early in the week of the shoot provide final round count and details of the shoot via the same channels.
6. Load the shoot onto Practiscore.com. If you are not managing the club, please ask Gareth, Nico, Rouen or Grobbie to add you to management of the page.
7. Dependant on expected numbers, divide the shooters into Squads beforehand.
8. Ensure you have selected PSO's and SSO's for each Squad.
9. Please ensure that the start time of the match is adhered to.
10. After the match ensure that Nico is supplied with the results so attendance can be loaded.
